Dear Robert

With much appreciation I would like to thank you for the great work in handling the sale of our property.

As we are very busy people we don't have time to worry about the legalities of property contracts. Having the knowledge that we could simply hand over the documents to someone we could ultimately trust made the process far less stressful.

At a time where one is worried about a property sale price, the last thing needed is a concern that the paperwork is not correct. Your knowledge and commitment ensured our experience was extremely positive.

We are planning to use your services for the sale of our investment property in the near future.

Yours sincerely
